Bertrand Hanging Lantern

Originally made from tinned sheet iron, this six-paned lantern is a Winterthur adaption, built with a low domed roof and a pierced, cylindrical chimney. The six compressed ball feet punctuate the corners of the lantern's glass-paneled bottom.

Shown with an aged tin finish.

SPECIFICATIONS

- UL listed for Dry location (may comply with Damp location when surface mounted to covered ceiling away from rain or sprinklers)
- Includes 5-7/8" ceiling canopy and 36" chain
- 4" octagonal junction box

One Size

- 12" w x 25" h
